## Hindutva: The Great Nationalist Ideology

*Munday, 09 February 2009*

In the history of the world, the Hindu awakening of the late twentieth century will go down as one of the most monumental events in the history of the world. Never before has such demand for change come from so many people. Never before has Bharat, the ancient word for the motherland of Hindus - India, been confronted with such an impulse for change. This movement, Hindutva, is changing the very foundations of Bharat and Hindu society the world over.

Hindu society has an unquestionable and proud history of tolerance for other faiths and respect for diversity.

## **Essay 3: Semitic Monotheism**

**We must realize that  
we have a problem on hand in India,  
the problem of a  
stagnant and conservative Islamic society**

**A national effort is called for  
to break Islamic exclusivism  
and enshrine the assimilative Hindutva.**

## ESSAY : "Semitic Monotheism"

Monday, 08 February 2019

B. Gurumurthy argues that the monotheistic Semitic religions of what he calls "the West" brought intolerance to India. Traditionally, Gurumurthy argues, Indian culture was characterized by a liberal pluralism stemming from the polytheism of Hindu beliefs.

In the history of human civilization there have been two distinct ways of life -- the eastern and the Semitic. If we look at the history of India and of its people on the one hand and at the history of Semitic societies on the other, we find a glaring difference. In India the society and individual form the center of gravity, the future

**It does not fit into the credentials of a national level organization.**

**These articles reflect a basic well-researched bias against Muslims.**

**After reading these articles it is very difficult for a Muslim citizen to have positive waves in heart for the BJP.**

**In fact, any citizen with normal human compassion would not take kindly to such a sweeping patently anti-Muslim approach.**

# Constitution of India Directive Principles of State Policy

AVOID

**DIFFERENT APPROACHES**

TO **DIFFERENT DIRECTIVES**

Too much emphasis on  
**Uniform Civil Code**

But,  
No talk about

Article 46:

**The State shall promote with special care  
the educational and economic interests of  
the weaker sections of the people**

**The State shall direct its policy towards securing that the ownership and control of the material resources are so distributed as best to subserve the common good.**

# **BOTH ONCE BELONGED TO UNDIVIDED INDIA**

**Refugees coming from  
Pakistan**

**Refugees coming from  
Myanmar (Burma)**

**Diametrically different treatments were given in India  
What perception should Indian Muslims have !**

Point of BJP Manifesto  
that needs to be highlighted

**Terrorism does not have a religion**  
**Those who espouse terrorism have stepped**  
**outside the moral code of their religion**  
**into barbarism**

**We must lift community-relations**  
**from the morass of misunderstanding**

## Point in BJP Manifesto

The BJP will examine the recommendations of the Joint Parliamentary Committee regarding Waqf properties, and would, in consultation with Muslim religious leaders, take steps to remove encroachments from and unauthorized occupation of waqf properties.

**There are so many other recommendations of  
JPC on Waqfs and Sachar Committee  
that need to be pursued, understood and piloted  
even when in opposition**

# JPC on Waqfs

## 9<sup>th</sup> Report

**Muslim officers of appropriate seniority**  
**are generally not available**  
**to be posted as**  
**CEO of State Waqf Boards**

Sachar Committee recommended creation of  
**Indian Waqf Service**

No action taken

# Sachar sought a dedicated wakf cadre, govt said no

SABA RAHMAN

NEW DELHI, MARCH 2

NATIONWIDE, wakf properties constitute a land bank worth Rs 1.2 lakh crore and could have generated annual returns of Rs 12,000 crore but yield only Rs 163 crore, the Sachar Committee had observed. To correct this, the committee had recommended a new cadre of officers, on the lines of the civil services, so that the state wakf boards and Central Wakf Council would be managed better.

The Ministry of Minority Affairs turned down the recommendation, saying a new cadre is neither practicable nor legally feasible.

## HOW IT WORKS

**WAKF:** Permanent dedication of a property for any purpose recognised by Muslim law as religious or charitable; these fall under entry no. 28 in the Concurrent List of the Constitution

### 6 LAKH ACRES

Schedule VII

## Concurrent List

**28. Charities and charitable institutions, charitable and religious endowments and religious institutions.**

**(includes Waqfs)**

## All-India Services

**312.** If the Council of States (Rajya Sabha) has declared by resolution supported by not less than two-thirds of the members present and voting that it is necessary or expedient in the national interest so to do, **Parliament may by law provide for the creation of one or more all India services common to the Union and the States**, and regulate the recruitment, and the conditions of service of persons appointed, to any such service.

BJP should introduce a  
Resolution in Parliament  
for creation of  
Indian Waqf Service

# Definition of **Scheduled Castes**

## Definition of Scheduled Caste

Through the 1950 Presidential Order  
**Muslims & Christians were excluded**

Constitutional Order of 1950  
is patently unconstitutional

# Articles 15 and 16

- **15. The State shall not discriminate against any citizen on grounds only of religion ....**
- **16. No citizen shall , on grounds of religion, .... be ...discriminated against in respect of, any employment or office under the State.**

Make

definition  
**religion-neutral.**  
Amend the 1950 Order.

**Both Sachar Committee & Mishra Commission  
have strongly recommended that the  
definition of Scheduled Caste  
should be made religion-neutral**

**No constitutional amendment is required.  
Parliament's Resolution is sufficient.**

**BJP should submit a  
Memorandum to the President  
supporting it and asking for it.  
Also, introduce Resolution in parliament.**

# Earmarking of Electoral Constituencies for Schedule Castes:

**Need for corrective measures**

Parliamentary and Assembly  
constituencies with substantial Muslim  
presence but negligible SC percentage  
have been reserved for SCs

**On the other hand,  
There is another set of constituencies in the same  
states where Muslim presence is negligible but SCs  
are in high percentage**

**These constituencies have not been reserved**

Seats in Lok Sabha:

**542**

National Muslim Population **13.4%**  
(as per Census)

Hence there should be  
Muslims in the Lok Sabha

**73**

Average no. of Muslims in LS

**27**

**Sachar Committee strongly recommended that the Delimitation Commission should be asked to remove the anomaly**

**But, no action taken so far, nor is there any talk about it.**

**BJP should submit a memorandum to the President, demanding implementation of this Sachar recommendation**

**Include in  
Manifesto**

BJP Manifesto 2009

**The BJP will implement a set of policies committed to a massive expansion of modern education among Muslims**

Yet,

## **Non-implementation of central scholarship for minorities in Gujarat**

overruled the Gujarat Government)

In Ahmedabad

**Dhorajinagar** and **Citizen Nagar**

200 victim families of 2002 riots  
have been rehabilitated  
with the help of local Muslim philanthropists

**Both these areas are at the foothill  
of a one-kilometer long  
and fifty feet high  
heap of trash  
dumped there from all over the city**

**It gives very bad smell.**

**During rainy season  
the filth is swept inside these twin rehabilitation colonies.**

**Ground water is not drinkable.**

**Water borne diseases are commonplace.**

**There is no regular outflux of sewage.**

**There is no school for the children.**

**The average family income is  
between two and three thousand rupees per month  
mostly from low level jobs in factories.**

**The ownership documentation papers of these dwelling units  
have not yet been made available to the resident families.**

**City garbage dump which lines Dhoraji Nagar & Citizen Nagar neighborhoods - where Gujarat riots victims have relocated.**
